***Matt Johnson and The New Jet Set*** present ***Swingin' The Disney Songbook!*** This multi-media musical experience is hosted by Matt Johnson — drummer, author and music educator — who offers behind-the-scene's insights into both the unforgettable songs *and* the classic Disney movies that made them popular, including, *Cinderella, Peter Pan, Dumbo, Jungle Book, Toy Story, Coco, The Little Mermaid* and so many more. *The New Jet Set* combines virtuosic musicianship and charismatic personalities to create truly magical, retro-cool interpretations of your favorite Disney anthems — It's like Walt Disney and Hugh Hefner threw a jazz party!
